Greetings,

Welcome to the premiere of the ST.HAIR Newsletter-email version. Many of you took advantage of our "email" promotion last month. We appreciate your email subscription and taking the time to read our newsletters. We strive to maintain an informative, personal and professional newsletter. Feel free to give us feedback via email or at your next appointment.

ST.HAIR News

ST.HAIR realized the benefits of a model program after participating in the model call for Schwarzkopf and Champion beauty's show last year.
We will be utilizing models for styling, cutting and colouring classes taught in the salon as well as educational demos in and out of salon.
For more information check out our website or ask your stylist to complete a Pre-Screening. We need you and your hair to model!

Did You Know?

The New Spectrum of Styling from **Bumble and bumble**.

Begins with the March 15th debut of the Shockingly Versatile Uncannily Flexible High Fashion Marvel,
Spray de Mode.

Remember when you wished for a hairspray with a strong, yet flexible hold? A working finishing spray to fulfill your wildest dreams of intricate styles?

Bumble and bumble and ST.HAIR believe it has been discovered after 2 years of development, including extensive testing on Paris runways and New York Fashion week 2008.

There's a new quick drying, flexible, and long-lasting hairspray ready to help you create amazing styles about to premiere March 15th.

Check out the Spray de Mode website for more details.

March Stylists' Choice:

Stylists' Choice is a combination of products we've found that compliment each other and the season.

Seaweed Shampoo and Conditioner teamed with brilliantine.

Seaweed Shampoo and Conditioner provides the perfect cleanse ending with brilliantine gives separation, texture and shine. According to Bikini.com: "this stuff will give you that drove-to-Vegas-with-the-top-down...blew-out-of-town-with-a-pocket-full-of-dough"
